MEMORANDUM FOR California Military Department State Civil Service Employees

SUBJECT: Policy Memorandum 2009-07 - Equal Employment Opportunity Program for State Civil Service Employees

1. The California Military Department is committed to maintaining a positive work environment that is productive and free from discrimination and bias. Leaders are responsible for ensuring that all **State Civil Service Employees** receive fair and equitable treatment on the basis of their capability and merit without regard to age (40 and over), ancestry, color, religious creed, denial of Family and medical care leave, disability (mental and physical) including HIV and AIDS, marital status, medical conditions (cancer and genetic characteristics), national origin, race, religion, sex, or sexual orientation. Leaders must ensure a command climate that encourages employees to freely identify and report injustices and discrimination of any kind, without the threat of intimidation or reprisal. I expect leaders, Soldiers, Airmen, and Civil Servants to take swift and positive steps to eradicate bias behaviors and discriminatory practices.

2. Full command support is necessary to ensure that Equal Employment Opportunity (EEO) principles and practices are utilized throughout the California Military Department (CMD). To achieve this goal, I encourage State Civil Service employees to use the Military Department EEO complaints process by alerting their chain of command and reporting violations to the Military Department EEO office. Should there be discomfort or fear of reproach in reporting an incident to their chain of command, employees may contact the Military Department EEO Office directly.

3. The increasing diversity of the employment landscape suggests that a multicultural workforce is a business asset and key to mission readiness. Leaders, managers, and supervisors must take advantage of all the combined strengths of every employee in order to make the CMD the highest quality organization it can be. I am committed to maintain a culture that practices the following:

- a. Provides every team member professional courtesy and respect
- b. Fosters a command climate that is fair, equitable, and non-discriminatory
- c. Recognizes members as our most valuable asset
- d. Promotes teamwork and constructive working environment
- e. Utilizes leadership as the tool to achieve results, pursue excellence, and strive to make the CMD the employer of choice for all

4. Questions or comments may be addressed to MAJ Tiffany Buethe at (916) 854-3154.
